At present, only GMAT registration is available online, at www.mba.com. The contact information for the Africa RRC is:

PAYMENT OF TEST FEES: Payment can be made via a **dollar bank draft** (which must be posted or couriered), or via **credit card** facilities (details of which can be posted or faxed on the test scheduling form, or in the case of the GMAT supplied online). Fees are as follows: TOEFL \$130, GRE \$140, GMAT \$225. For other testing fees see the bulletins/websites.

CONFIRMATION OF TEST DATE: If you have not heard from Thompson Prometric by three days prior to your earliest test date option, you must notify the RRC by fax, phone or email (see above) to confirm your test date. There are no refunds for missed test dates due to postal delays or other failed international communications systems.

PREPARATION: Test preparation in the form of a Powerprep CD is available, included in the price of the test, for the TOEFL, GRE and GMAT. Please note that the CD is posted from the United States on receipt of your registration form in Holland, and thus may take 10 days to 3 weeks from the receipt date to arrive in South Africa. The EDUCATION ADVISING CENTER also has test preparation materials, for purchase or loan. Please inquire of the Education Advisor regarding these materials, or read about them on the Embassy website: southafrica.usembassy.gov.
